

# Elias Magnoli

Front-end Developer

I am Elias Magnoli, I am 20 years old, and I consider myself passionate about technology, programming, and development. I'm from Argentina, and I dream of continuously working in this environment. I enjoy working in teams, supporting and cooperating whenever possible. I see myself as focused and persistent. I really enjoy staying informed and always learning about everything.

## 技能

React	Bootstrap
JavaScript	Figma
SASS	Git
HTML	Web Design
Vite	UX/UI

## 经验

I am a competent person, and I really enjoy staying up to date and informed about the latest developments. I always strive to improve in what I consider to be my strengths.

### Freelance

#### Web development

- I don't have any notable work experience in the field of development, but I have taken several courses and bootcamps that provided a significant number of projects and challenges. I was able to perform quite well and successfully complete them

### 程序开发

#### 大学项目

- I have created several programs, both independently and with a group of peers, that were required as intermediate or final projects at my university.
